ADVERTISEMENTS.

SUBSCRIPTIONS, Advertiſements, and Intelligence for the Racing Calendar, are received and carefully attended to, at the Publiſher's Office, No. 11, Hamilton-ſtreet, Piccadilly, where the Books for 1773, 1774, 1775, 1776, 1777, and 1778, may be had; alſo complete ſets of Heber's Books, with ſeveral odd Volumes of Cheney's.

The SPORTING CALENDAR for the Year, 1772,

PUBLISHED by Meſſrs. TUTING and FAWCONER, both ſince deceaſed, having hitherto been diſtributed to but a few of the Subſcribers, the reſt of the Subſcribers and others, are hereby informed, that the ſame may be had of Mr. Weatherby, No. 11, Hamilton-Street, near Park-Lane, Piccadilly, London; to whom the Subſcriptions for that year, and likewiſe the arrears for former years are deſired to be paid,

To the CLERKS of COURSES.

THE Publiſher requeſts the Clerks of Courſes will be punctual in diſcharging their Bills, as he does not only lay out of the Money for advertiſing in his own Paper, but is conſiderably in advance for inſertions in the Newſpapers, and is therefore under the neceſſity of acquainting them, that their Races will not in future be advertiſed in the Calendar, unleſs the Bills for former Years are paid.

AS many fatal Accidents happen by Riders' being thrown or jammed againſt the poſts, which are commonly ſquare, and much larger than neceſſary, it is earneſtly recommended to all Clerks of Courſes, where new poſts are erected, to have them made round, of a light brittle wood, not above three inches in diameter, and two feet higher than uſual; and where the old ones are ſuffered to remain, to have the edges taken off, and the bottom ſawed nearly through, ſo that they may fall with any ſtrong preſſure.

To meet annually at dinner on the day preceding the King's birth-day.

Choice of ſtewards.

That three members of the Jockey Club ſhall be appointed ſtewards, and to commence their office on the fourth of June annually. One new Steward to be appointed every year on the third day of June, by the Steward who quits on that day, ſubject to the approbation of the members of the Jockey Club then preſent.

The firſt and ſecond vacancy of the three Stewards now named, are to be ſettled by drawing lots; and ever afterwards, the ſenior Steward is to quit his office on the third of June annually.

That the three Stewards, or any two of them, ſhall be veſted with full power to make ſuch regulations as they think proper, in regard to the exerciſe-ground, and the courſe.

That the three Stewards concurring, ſhall have it in their power to appoint ſuch perſon or perſons as they may chuſe to keep the coffee-houſe, match-book, receive the ſtakes, and to collect the entrance money, and all other funds belonging to the Jockey Club.

The

The Stewards are to be reſponſible to the Jockey Club for all the money collected, as belonging to the Club.

The Stewards ſhall have it in their power to fix the hours of ſtarting for each match, &c. but they ſhall be obliged to fix thoſe hours of ſtarting by eight o'clock in the evening preceding the day of running.

The accounts are to be produced by the Stewards annually, on the third of June.

Puniſhment for watching, or diſcovering trials.

That in caſe any gentleman who keeps running horſes, has cauſe to complain of any feeder, rider, groom, boy, or other perſon employed by him in, or intruſted with the knowledge of trials, of having diſcovered them directly or indirectly, by betting, or wilfully in any other way (unleſs allowed ſo to do by his maſter); or if any perſon as aforeſaid, living with any gentleman, ſhall be diſcovered in watching trials himſelf, or procuring other perſons ſo to do, or by any unfair means whatſoever endeavouring to diſcover trials; on ſuch complaint being carried to any one of the Stewards, that Steward is to ſummon a general Jockey Club meeting, as ſoon as convenient; which meeting is to appoint a committee of three members to examine into the accuſation; and in caſe they ſhall be of opinion that the perſon or perſons is or are guilty of it, then the perſon ſo found guilty ſhall be diſmiſſed from the ſervice of his maſter, and the ſaid perſons ſhall not be employed by any member of the Jockey Club in any capacity whatſoever; nor ſhall any horſe, &c. led, or rode by him or them, or in the management of which he or they are concerned, be ſuffered to ſtart for plate, match, or ſubſcription. And the names of the perſons found guilty of theſe offences, ſhall be expoſed in the Racing Calendar; and inſerted in a paper to be fixed up in the coffee-room at Newmarket.

That

That a copy of all the ſtakes to be made for matches, ſubſcriptions, and ſweepſtakes, and the day and hour of ſhewing, or entering, ſhall be fairly wrote out, and fixed up by the order of the Stewards, on the ſide of the chimney piece at each end of the coffee-room, on the Sunday evening before each meeting; to continue there each day of the meeting, as notice for ſtaking, ſhewing, or entering, and no other ſhall be inſiſted upon.

Notice of ſtaking, ſhewing, and entering.

A Day Book ſhall be kept by the perſon appointed by the Stewards, and continue in the coffee-room, in which ſhall be entered an account of all matches, ſubſcriptions, and ſweepſtakes, to be run for each day, within that meeting; and as the different ſtakes are made, the payments ſhall be marked to the names of the perſons ſo paying.

Entry of ſtakes as made.

All ſtakes ſhall be made in caſh, bank-bills, bank-poſt bills, properly indorſed, bankers notes payable to bearer, or bankers notes payable to order, alſo properly indorſed; and not otherwiſe, without the conſent of the party or parties preſent concerned in the match, ſubſcription, or ſweepſtakes, on whoſe account ſuch ſtakes are made.

Stakes how to be made;

All ſtakes for matches, ſubſcriptions, and ſweepſtakes, ſhall be made before ſtarting for the ſame; and in default thereof by any perſon, he ſhall forfeit in like manner, as if he had not produced his colt, filly, horſe, or mare, to ſtart; and ſhall have no claim to the ſtake or ſtakes of the match, ſubſcription, or ſweepſtakes, ſhould his colt, filly, horſe, or mare, have ſtarted and come firſt; and this to remain in full force as an eſtabliſhed agreement of the Jockey Club, unleſs ſuch perſon has

at what time.

has previouſly obtained the conſent of the party or parties preſent, with whom he is engaged, to diſpenſe with his making his ſtake as aforeſaid.

All forfeits unpaid before ſtarting for any match, ſubſcription, or ſweepſtakes, ſhall be paid to the perſons appointed by the Stewards to receive the ſame, at the coffee-room, before 12 o'clock at night of the day ſuch forfeits are determined; and each perſon making default therein, ſhall forfeit and pay to the perſons ſo appointed by the ſaid Stewards, after the rate of five pounds for every hundred pounds ſo forfeited, which ſhall be diſpoſed of by the ſaid Stewards, towards ſuch uſes as they ſhall think fit.

Forfeits when to be paid.

And in order to prevent frauds, notice ſhall be given, that if any perſon make any bett or betts from ſignal or indication, after the race has been determined at the poſt, ſuch perſon is not intitled to receive, or liable to pay the ſame; as ſuch bett or betts are fraudulent, illegal, and totally void; and that if any ſervant belonging to a member of the ſociety ſhall be found to have made or be engaged in the making any ſuch bett or betts, he ſhall be diſmiſſed his ſervice, and no further employed by any member of this ſociety.

Betts made from ſignal or indication.

That all forfeits or money paid on compromiſing any match or ſweepſtakes ſhall, *bona fide*, be declared and entered in the day-book, in order that all Betters may be put upon an equality with the perſons who had the match or ſweepſtakes, and may thus be aſcertained in what proportion they are to pay or receive.

Forfeits and compromiſes to be entered.

That the Stewards of the Jockey Club ſhall appoint ſome proper perſon to examine every colt or filly, being of the age of two, three, or four years, at the ending-poſt, immediately after running, the firſt time any colt or filly ſhall ſtart for any plate, match, ſweepſtakes, or ſubſcription, at Newmarket, and the ſaid appointed perſon is to ſign a certificate of ſuch examination, and his opinion thereupon, which certificate is to be hung up before eight o'clock the evening of the ſaid day of running, in the coffee-houſe at Newmarket.—But for all plates, matches, ſubſcriptions, or ſweepſtakes, where the colt or filly is required to be ſhewn before running, the examination as abovementioned ſhall be made at the time of ſhewing them, and the certificate of the perſon appointed ſhall immediately, in like manner, be fixed up in the coffee-room at Newmarket.

The Stewards to appoint a perſon to examine the age of young horſes, &c.

That the hours of ſtarting ſhall be fixed up in the coffee-houſe by eight o'clock in the evening preceding the day of running; and it is expected that every groom ſhould ſtart punctually at the time appointed; and any groom failing ſo to do, ſhall forfeit five guineas each time to the Jockey Club. It is alſo expected, that every groom will attend to the regulations and orders which the Stewards of the Jockey Club may give, relative to the preſervation of the courſe and exerciſe-ground.

Time of ſtarting, and forfeit on neglect, &c.

That no perſon do borrow or hire any horſe, &c. not belonging to his avowed confederate, to run in a private trial, without entering the name of ſuch horſe, before the trial ſhall be run, in the book appointed to be kept for that purpoſe, in the coffee-room

None to borrow horſes, &c. for trials, without entering them in the book, except confederates.

room at Newmarket; and no perſons to be deemed confederates, who do not ſubſcribe this article as ſuch.

That all diſputes relative to racing at Newmarket ſhall, for the future, be determined by the three Stewards, and two referees to be choſen by the parties concerned. If there ſhould only be two Stewards preſent, they are to fix upon a third perſon in lieu of the abſent Steward.

Diſputes how to be determined.

That if for any ſweepſtakes or ſubſcription, the two firſt horſes ſhall come in ſo near together, that the judge ſhall not be able to decide which won, thoſe two horſes ſhall run for ſuch prize over again, after the laſt match on the ſame day; the other horſes which ſtarted for ſuch ſweepſtakes or ſubſcription, ſhall be deemed loſers, and entitled to their reſpective places, as if the race had been finally determined the firſt time.

When the judge cannot decide a ſweepſtakes, or ſubſcription, the two firſt horſes to run over again.

That all betts determined by one event ſhall be ſubject (as before agreed) to any compromiſe made by the principals, and paid in proportion to ſuch compromiſe; but that all double betts ſhall, for the future (to prevent the frequent diſputes which have ariſen) be conſidered as play or pay betts.

Single and double betts.

When any match or ſweepſtakes ſhall be made, and no particular weight ſpecified, the horſes, &c. ſhall carry eight ſtone, ſeven pounds each. And if any weight is given, the higheſt weight is, by this reſolution, fixed at eight ſtone, ſeven pounds.

The weight 8ſt. 7lb. when not ſpecified, and when weight is given, the higheſt 8ſt. 7lb.

Horſes engaged on the day of entrance, for any plate, &c. when to enter.

No horſe that is matched to run on the day of entrance, for any plate, &c. ſhall be obliged to ſhew and enter at the hour appointed, but ſhall ſhew and enter within an hour after his engagements are over, provided ſuch horſes, &c. be named at the uſual time of entrance, which is to be between the hours of eleven and one, for all plates, ſubſcriptions, and ſweepſtakes, where any entrance is required, and no other particular time ſpecified.

Betts between any two horſes, &c. which ſhall become the property of the ſame perſons void.

That all betts depending between any two horſes, either in match or ſweepſtakes, are null and void, if thoſe horſes become the property of one and the ſame perſon, or his avowed confederate, ſubſequent to the betts being made.

RULES for MATCHING and FIGHTING of COCKS in London, which have been in Practice ever ſince the Reign of King Charles II.

TO begin the ſame by fighting the lighter pair of cocks (which fall in match) firſt, proceeding upwards to the end; that every lighter pair may fight earlier than thoſe that are heavier.

In matching (with relation to the battles) it is a rule always in London, That after the cock's of the main are weighed, the match-bills are compared.

THAT every pair of dead, or equal weight, are ſeparated, and fight againſt others; provided that it appears that the main can be enlarged, by adding thereto either one battle or more thereby.

JOHN WALKER's

PATENT SADDLES.

IN a country where the manly exercise of riding is so predominant, an attempt to render it more pleasing and useful will, doubtless, be generally countenanced. Of this kind the Inventor humbly presumes his New Invention will be ranked, as in them both these essential properties are happily united; they not only preserve an elegance and neatness, equal with the most approved productions of that kind, but are particularly adapted to the ease both of man and horse, by a well regulated combination of elasticity, by which also the rider is enabled to form a better and firmer seat on them. The approbation which experience has given, forms a proof of their utility, and will, he hopes, incline those Gentlemen who have not seen them to have ocular demonstration, and their properties explained at John and Thomas Walkers, near Lord Coventry's, Piccadilly; and at their shop also at Newcastle-upon-Tyne, where every other branch of Sadlery, for home consumption and exportation, may be had. Side Saddles, on the same principle, have been greatly approved.

KNIBBS.

KNIBBS,

GIRTH WEBB MANUFACTURER,

SADLER, and COACH HARNESS Maker, at his Manufactory and Warehouſe, No. 246, Oxford Street, the corner of Park Street, London.

RETURNS his grateful thanks to the Nobility and Public for the repeated favours he daily receives, and reſpectfully acquaints them, that his Girths are ſold no where through the three kingdoms without his name ſtampt on each Girth, and that the Sadler near Brook Street, who ſtamps his own name on the Girths he ſells, and tells Gentlemen he has ſet up a Manufactory againſt Knibbs, is a baſe impoſition; the Girths he ſtamps with his name are manufactured in the Low Countries, and bought at a cheap rate, and have none of the qualities of the real patent Spring Girths manufactured by Knibbs only. A large aſſortment of Sadlery and Harneſs always ready, where gentlemen may be furniſhed at an hours notice for home or abroad, at 30 per cent. lower than any warehouſe in London, by their moſt humble Servant.

T. KNIBBS.

By His MAJESTY's

MOST GRACIOUS LETTERS PATENT,

GRANTED TO

ANNE WHARHAM,

For her New-Invented SPRING BARS,

Which are fixed to a Saddle, to prevent being dragged by the Stirrup, when thrown off Horfeback.

SHE begs leave to caution the public againſt purchaſing counterfeit ones; many of which, ſhe has reaſon to believe continues to be vended in different parts of this kingdom, one of whom, had on the 15th of July, 1778, a verdict given againſt him, in the Court of Common Pleas, Weſtminſter, before Lord Chief Juſtice De Grey, with damages and coſts of ſuit.

The continued approbation of many of the firſt Noblemen and Gentlemen in the kingdom, is the ſtrongeſt recommendation of the above Bars. Their utility has been ſucceſsfully proved by many gentlemen, &c. who has acknowledged their preſervation.

They are to be had as uſual of the patentee, No. 9, Woodſtock-Street, New Bond-Street, and of the principal Sadlers in London and Great Britain.

VAL. WAREHAM.

RETURNS his grateful Thanks to Noblemen and Gentlemen, who have ſubſcribed for his late invented GREYHOUND SLIPS, and reſpectfully acquaints them, and all other Noblemen and Gentlemen Courſers, that they are ſold by him at 15s. a Pair, at High Houſe, near Rougham, Norfolk; the Bull, at Barton Mills, Suffolk; the Coffee-Houſe, Newmarket; and at Mr. Weatherby's, No. 11, Hamilton-Street, Piccadilly, London; where Subſcriptions and Orders are received, and carefully attended to.

Theſe SLIPS were uſed, and met with general Approbation, at the Courſing Meetings at Swaffham, in Norfolk: They are calculated either to reſtrain or to ſlip the Greyhounds with great Facility, and without leaving any Thing upon their Necks, and ſo as that no Advantage can be given to either in ſtarting, which renders them Uſeful and Satisfactory on all Occaſions, and particularly ſo, in Matches and Trials.

Though he cannot boaſt of the Authority of a Patent, he flatters himſelf, that the Merit of the Invention, will inſure him the ſole Benefit thereof, and that Noblemen and Gentlemen, will not encourage Imitators, while he is able to ſerve them.
